

## Press Release For Men@Play by Janie De Coster

### Book Description:

Donavan Lattimore and Winston Taylor have been friends since high school. They were both popular with the ladies, staying true to the game until they each fell in love.

Ten years later, with fabulous wives, neither man has managed to give up their player shoes.

For Donavan, it's all about the game. Winston unfortunately finds himself caught up after meeting Star Collins, a beautiful sexy feline he just can't seem to resist.

Can Donavan convince his best friend that it's all in his head and not in his heart before he makes the biggest mistake of his life? And will Donavan be able to control the demon within himself that could destroy his marriage as well?

Men@Play shines a light on several mainstream issues of today such as; cheating, low self-esteem, sex addiction and mental illness. Janie DeCoster strives to bring her reader into the character's lives having them experience each individual situation good or bad, while seeing it through their eyes. By doing so, there is an opportunity not only to entertain, but educate and hopefully to encourage, enhance or change the reader's lives as well.
