

INFINITY PUBLISHING PRESENTS
STORIES FROM THE OLDEN DAYS
By William P. Robertson

Stories from the Olden Days by William P. Robertson takes the reader on a nostalgic ride back to the baby boom era of the 1950's and '60's. Like *Leave It to Beaver*, the book deals with real problems faced by kids back then. With humor being the main focus, each story is arranged like a Spike Jones parody record. It starts with a sentimental memory from Robertson's childhood and ends with a funny punchline. Some of the topics covered are Little League Baseball, sled riding, treehouses, and childhood mischief. The author also discusses fights at school, good and bad teachers, and not so happy romance. Along the way, he reveals the incidents and people who inspired him to become a writer. Come join in the games, jokes, and fun from a time uninfected by political correctness. An old-fashioned horselaugh provides the appropriate soundtrack.

Stories from the Olden Days is available from Infinity Publishing at www.buybooksontheweb.com or by phoning (887) BUYBOOK. To order postpaid autographed copies, send \$15.50 to William P.
